General By-Laws for Branches

The Ontario Provincial Command

GUIDELINES FOR BRANCH REGULATIONS

These Guidelines provide the basic rules and information for the creation, amendment, and maintenance of Branch Regulations. They **should be referenced**, along with the applicable General By-Laws, on each occasion when crafting and processing matters related to the Branch Regulations.

ANNUAL FORM REVIEW

All Forms, excluding Attachment Forms, are reviewed annually and changes and/or modifications are made where necessary. The updated Forms are installed on the Command Website www.on.legion.ca (**Members Resources**) and become effective on or as close to the first day of October. Branches **must use** the newest editions of the Forms when making Submissions of and/or Amendments to their Branch Regulations in which the process pursuant to **S. 1602. GBLB (The General By-Laws for Branches of The Ontario Provincial Command)** is **initiated** post the aforementioned date. Branches are also required to use the most current edition of the Form No. 3 when directed by the Provincial Constitution and Laws Committee or for the year-end review when Amendments have been made during that year.

Note: The same edition of Form Nos. (1 and 2, or 2A and 3) must be used during each separate Tabling/Approval Process. Thus, if using a Form No. 2A and Form No. 3 towards the issuance of a Certificate of Review, the Tabling Date will determine what edition of the Forms to use. Pages are not interchangeable between different editions of the Forms. Attachment Forms are not subject to an annual update and once certified are usable for all future submissions.

BRANCH FILE RETENTION

Branches must maintain and retain internal files respecting the activities etc. of all Committees and Positions and thus available for the knowledge and assistance to current and successive Members charged with these duties. As an example, Branches, on occasion, are requested to reference past correspondence and other documents respecting their Branch Regulations. These Members, when finding that such documents have not been retained by the Branch, seek copies from Command. This is not Command's obligation as the onus remains with the Branch to maintain these files.

BRANCH CLUBHOUSE RULES / POLICY AND PROCEDURE MANUAL

All Branches should consider maintaining Branch Clubhouse Rules. As an example, unruly behaviour in many circumstances is not covered by Article III of The General By-Laws of the Royal Canadian Legion unless contained in the Branch Clubhouse Rules. Any subject matter not addressed by the General By-Laws, Branch Regulations, or Branch Clubhouse Rules may be maintained in a ***Policy and Procedure Manual*** provided that the content does not infringe upon the General By-Laws or violate any law in Canada, **and** it is within the autonomy of the Branch. Further, any changes to ***Policy and Procedure Manuals and/or Branch Clubhouse Rules*** do not require processing pursuant to S. 1602. GBLB and are not subject to review by Command currently. However, they still require the approval of the Branch Membership via a similar procedure to the Branch Regulations Approval Process i.e., the Tabling of a Notice of Motion at one (1) Meeting of the Branch and approval at the next Meeting of the Branch as all such matters impact the rights and privileges of the Membership. Reference the Guidelines re ***Branch Clubhouse Rules*** on the **Command Website** in the **Members Resources** Section. Guidelines regarding a ***Policy and Procedure Manual*** are contained in the Officers' Manual.

REQUEST RE CLARIFICATION - PRESIDENT

There may be occasions when a request is made of a Branch President respecting such matters as the procedure and/or process used regarding their Branch Regulations; the submission of a Meeting Change Notice and confirmation that Members were notified accordingly; and/or verification that the Branch in choosing a Quorum applicable to those situations which have under twenty (20) active Members is, in fact, correct and supported by the President's Certification. Such requests are directed to the Branch President as the Chief Executive Officer for a reply as this Member is responsible for all Branch matters and thus the return correspondence is expected to be signed by the President.

GENERAL RULES

These Rules include the matters most frequently found to be perplexing for Branches and resulting in entry errors that subsequently require the submissions to be returned to the Branch for further action, correction, and resubmission:

Appointments

To any Office or Position can only be made after the start of the new Term of Office **unless otherwise permitted** in the General By-Laws. Members appointed to any Office, where applicable, must be installed as per the ritual found in the current *Ritual, Awards and Protocol Manual*.

Attachment Forms

Attachment Forms have been developed to assist Branches in crafting a uniform document regarding certain permitted matters tailored to specific Branch requirements respecting Officers' Duties, Committee Duties, and Orders of Business. The availability and Form No. is noted in each applicable Section within these Guidelines and the Templates can be found on the **Command Website** in a Folder titled '*Forms & Manuals*' under **Members Resources** in an appropriately titled Folder. The Attachments are provided for the use by Branches wishing to tailor Orders of Business to their local needs which are outside those found in the By-Laws; or where required when Branches activate other components outside the standards found in the GBLB. E.g., If the Branch holds annual Nominations at a General Meeting, they will have to complete Form Nos. 8 and 11; Branches on a two-year Term and holding Biennial elections at the Annual General Meeting would have to complete Form Nos. 13 and 15. These Forms, once crafted and approved, become part of the Branch Regulations. It is also necessary to process the activation of the appropriate and corresponding Section in the Branch Regulations.

Note: Should there be insufficient room for all entries on the applicable Attachment Form, a second Attachment Form of the same number is to be used for the continuance of the entries, and the Page(s) are numbered sequentially.

Branch Name

Only enter the unique Branch Name as found on the Branch Charter preceding the bracketed area (Ontario No.). Some Branches have chosen to modify their Branch Names without the benefit of proper approval at the Branch and/or Command levels. Further, any Branch receiving proper approval must also secure a new Branch Charter.

Branch Number

Only the publicly used and recognized Number is to be used on all Forms i.e., 2, 14, 107, etc. Do not add '0' in front of the Number, as such additional digits are only required to conform to their entry in computer fields but do not form part of the Official Number. Further, do not include the Provincial assigned code '05' as part of the Branch Number.

Dates

All dates, excluding Preparation Dates, must be the current date that the document was signed and/or prepared after the most recent Approval Date or Review Memorandum Date from the Committee. **Preparation Dates on Forms 1, 2, and 2A must be on or before the Tabling Date.** The Branch Approval Dates on the Form No. 3 (right column) are the **only** dates to be entered in this Format (YYYY-MM-DD) with the dates on all other Forms entered in one of these appropriate Formats (January 13, 20__) or (13 January 20__).

Forms

All Forms are capable of being saved by the user to a personal file and therefore capable of being edited later should the need arise. Should problems be experienced, reference the advice and directions provided in the *Forms & Manual* under **Members Resources**.

Meeting Minutes

Do not submit Meeting Minutes unless required under the applicable provision or requested by the Constitution and Laws Committee. Only complete copies of each set of Meeting Minutes are accepted rather than excerpts.

Guidelines for Branch Regulations Continued

Meetings of the Branch

Includes all Branch Meetings excluding Executive Committee Meetings. Any deviation from a Meeting Date found in the Branch Regulations, or a Special General Meeting, that requires that all Members be notified of the Meeting Date pursuant to the provisions of S. 918. GBLO (General By-Laws of The Ontario Provincial Command). A copy of the Notification text and Certification Letter under the hand of the President that all Branch Members have been properly notified and the means of notification (Social Media, personal service, etc.) must be forwarded with the submission of the Branch Regulation documents to Command when the subject Meeting **involves the Tabling and/or Approval of Branch Regulations.**

Office Titles

Must correspond with their use elsewhere in the By-Laws and Manuals e.g. *First Vice-President, Second Vice-President, Third Vice-President, Sergeant-at-Arms, Branch Chair, Chaplain, Secretary, Treasurer, and/or Secretary-Treasurer.*

Punctuation

Periods (.) are not required after text entries as they are included in the pre-set text entry areas. Further, each listed Item must be separated by a ',' and the final Item separated by ', and'. An exception applies in some cases when there are only two (2) entries. See the following examples:

1. *Secretary and Treasurer*
2. *Secretary, Treasurer, and Chaplain*
3. *Lottery, and Honours and Awards*
4. *Secretary, Treasurer, Chaplain, and Sergeant-at-Arms*
5. *Honours and Awards, and Ways and Means*
6. *Bar, Bingo, and Branch Regulations*
7. *Bar, Bingo, Branch Regulations, and Ways and Means*
8. *Bar, Honours and Awards, and Ways and Means*
9. *Bar, Honours and Awards, Sick and Visiting, and Ways and Means*

Review Comments from the Constitution and Laws Committee

'*Quotation marks*' are used in Review Memorandums to highlight the subject wording requiring change, inclusion, deletion, reference, etc., and are not to be included when entering text in the Forms.

Spell Check

For some users, dependent upon the edition of the Adobe PDF system and browser installed, they may have the capability of auto-correct highlighting misspelled words. A misspelled word on the Form will be underlined i.e., '*Neveer*' while the cursor is within the same line. However, once the cursor is moved off the subject line, the red line will disappear. Therefore, while the cursor is on the subject line, move it to the misspelled word and right click which will display several corrective suggestions for a replacement. However, if the standard edition is not user-friendly, it is important to proofread the entries on the Forms for punctuation and spelling errors before printing and submitting them to Command.

Submissions

The number of copies of each document must correspond with the quantities indicated on the Form No. 5 (**Branch Regulations / Branch Clubhouse Rules Submission Cover Form**) and each set must be submitted under its own Form No. 5 which must be currently dated rather than re-submitting a stale dated copy. One (1) set of the documents must contain the original signatures of the appropriate Officers – President and Secretary. **Fax and electronically forwarded copies of submissions will not be accepted and the Branch will be advised that no Review will be completed until the required copies are submitted via mail, courier, or personal delivery.** Finally, do not return copies of the Committee's or Command's letters with the re-submission as copies are retained by each entity and thus an unnecessary expense by the Branch.

Guidelines for Branch Regulations Continued

Text Entries

Requires specific information without qualifiers, additional explanation, or comments and must be in a lowercase font excluding those words that necessitate the application of a capitalization rule to the first letter e.g., Proper Names, Proper Nouns, Titles, etc. as the text becomes incorporated with the pre-set text wording to form a proper sentence. Lists must be in alphabetical order e.g., S. 501. (2), 601. (3) (4), 1201. (1), 1204. (1) (2) (3).

Abbreviations, symbols, and acronyms e.g., 1st, 2nd, 3rd, weekdays, months, &, @, etc. are not permitted unless part of an officially recognized title e.g., Branch Name which includes an ampersand (&), etc. Pre-set text on any Form is not to be changed, deleted, or amended in any way.

Strikeouts and whiteouts are not permitted. Further mixed-style (electronic and handwritten) text entries are also not permitted on the Forms except when writing in the Approval Meeting dates at the time. Should an error occur at any time during the process, complete a replacement Form and/or Page, and submit both documents noting ‘Replacement’ on the top of the applicable Form and/or Page. **Note: Individual pages of the Form No. 3 are capable of being corrected and printed separately.**

LIST OF REGULATIONS

The list provides clarification respecting all Branch Regulations and identifies compulsory Regulations (***) for all Branches and (^^^) Branches with a Ladies' Auxiliary. Non-compulsory Regulations must be activated if the subject matter applies to the Branch. Otherwise, non-applicable Regulations must be left blank i.e., no entry in the Check Box, Text Area, and Approval Date Column. The Branch Regulations contained on the Form No. 3, and any approved attachments, become the only permitted extension to the GBLB and only the Forms developed and approved by Command will be accepted.

Further, a change to a two (2) year Term will affect the provisions in S. 1001. and S. 1002 and vice versa when returning to the default Term of Office of one (1) year. These are the only Offices available for inclusion.</i></p> <p>Note: The election of Senior Elected Officers and Executive Committee Members are covered elsewhere and not to be included in the Branch Regulations. Any appointments may only be made after the start of the new Term of Office for which they are appointed.</p> <p>All Branches must have a Veterans Services Chair pursuant to S. 601. (1) GBLB. An optional Branch Service Officer is a separate and distinct Office for which there is a separate installation procedure.</p> <p>The titles of Chaplain (in place of Padre) and Branch Service Officer, if applicable, must be used to maintain consistency with their use in the General By-Laws and Manuals. If the Branch maintains more than one (1) Chaplain, it must be entered with the total number in brackets e.g., Chaplains (2).</p>

***	S. 601. (3)	<p><u>OPTIONAL STANDING COMMITTEES ESTABLISHED</u></p> <p><i>Enter <u>all Optional Branch Standing Committees</u> maintained by the Branch. Although not limited, some examples are as follows: Bar, Bingo, *Branch Regulations, Building and Maintenance, Bursary, Canteen, Charitable Foundation, *Constitution and Laws, Entertainment, Finance, Financial Advisory, Honours and Awards, House and Grounds, Housing and Property, Kitchen, Lottery, Maintenance, Sick and Visiting, Special Events, Ways and Means, etc. List the entries alphabetically.</i></p> <p>*Constitution and Laws Committees administer the Branch Regulations, Branch Clubhouse Rules (if maintained), and a Policy and Procedure Manual (if maintained), while a Branch Regulations Committee only administers the Branch Regulations.</p> <p>Note:</p> <p>This Subsection has been declared mandatory as the Committee has found that Branches fail to list their Committees although they maintain the same. If the Branch does not maintain any such Committee, a Letter of Confirmation to that effect is required from the Branch upon submission. All Optional Standing Committees maintained by a Branch must be listed, as there is no other creating authority. The use of the word 'optional' denotes that it is the prerogative of the Branch regarding what Committees it will maintain on an annual basis. This is different from Special Committees which are formed for a specific purpose and set time period e.g., Branch Anniversary, Canada Day, Legion Week, etc.</p> <p><u>Definition of Optional Standing Committee</u> - A Member, group, team, board, etc. that files a report of its activities with the Executive and/or the Branch and is maintained from Term to Term. It is recognized that many are a Committee of one (Chair) as other volunteers are not available, however, the Committee still falls within the definition as it is capable and receptive to having additional members. Sub-Committees of any Standing Committee are not to be included in the Branch Regulations.</p> <p><u>The mandatory Poppy Trust Fund Committee pursuant to S. 920. GBLO and all Standing Committees listed under S. 601. (1) GBLB are not to be included in the Branch Regulations.</u></p>
	S. 601. (4)	<p><u>STANDALONE POSITIONS ESTABLISHED</u></p> <p><i>Enter all Branch Standalone Positions which are not provided for elsewhere in the Branch Regulations. These positions are not associated with a Committee, nor are they Employee Positions. They may file a report(s) to the Executive and/or the Branch outlining their activities when prudent and necessary.</i></p> <p><i>Although not limited, some examples are as follows: Air Cadet League <u>Liaison Officer</u>, Air Cadets <u>Liaison Officer</u>, Air Cadet Squadron <u>Liaison Officer</u>, Army Cadet Corps <u>Liaison Officer</u>, Army Cadets <u>Liaison Officer</u>, Bar <u>Officer</u>, Bingo <u>Convenor</u>, Bingo <u>Coordinator</u>, Branch <u>Curator</u>, Branch <u>Historian</u>, Bulletin <u>Editor</u>, Catering <u>Coordinator</u>, Colour Party <u>Commander</u>, Entertainment <u>Coordinator</u>, Correspondence <u>Secretary</u>, Hall Rental <u>Agent</u>, Navy League Cadets <u>Liaison Officer</u>, Navy League Cadet Corps <u>Liaison Officer</u>, Parade <u>Marshal</u>, Recording <u>Secretary</u>, Sea Cadets <u>Liaison Officer</u>, Sea Cadet Corps <u>Liaison Officer</u>, Special Events <u>Coordinator</u>, Web <u>Coordinator</u>, <u>Webmaster</u>, etc.</i></p> <p>Note: Each entry must include a Position (i.e., the above-underlined examples). Excluding Branch Chair, the entry of a Chair of a Branch function denotes a Committee rather than a Standalone Position and therefore must be included under Subsection (3) of this Section.</p>

Guidelines for Branch Regulations Continued

		Should a Branch maintain a <i>Recording Secretary, Correspondence Secretary, or Assistant Treasurer</i> outside of the Secretary, Treasurer, or Secretary-Treasurer, the Position must be created and entered in this Subsection.
S. 703. (3)	<u>DUTY RE NEW MEMBERS</u>	<p><i>Three (3) separate decisions may be made by the Branch. The first (a) involves designating another Member, <u>other than the Secretary</u>, to present all new Members with their Legion Badge and a document with the Website addresses of both Commands.</i></p> <p><i>The other decisions in Subsection (b) involve the designation of a Member, which may be the Secretary, or another Member identified by their Office or Position, to complete this duty; and whether this Member will present the GBLO/GBLB only or the GBL only or GBLO/GBLB and GBL. Only one Item of the three listed choices shall be activated.</i></p>
S. 703. (4)	<u>ELECTRONIC RECORD STORAGE – SECRETARY</u>	<i>Other provisions and/or legislation may dictate what physical documents must be retained for future reference and this does not prohibit Branches from also using a physical means of record i.e., Minute Books, etc.</i>
S. 704. (2)	<u>ELECTRONIC RECORD STORAGE – TREASURER</u>	<i>Other provisions and/or legislation may dictate what physical documents must be retained for future reference and this does not prohibit Branches from also using a physical means of record i.e., Accounting Books, etc.</i>
S. 708.	<u>EXPANSION OF DUTIES RE OFFICERS AND EXECUTIVE COMMITTEE MEMBERS</u>	<p><i>A separate Attachment Form to the Regulations may be created, should the Branch wish to include other specifics that are <u>not included</u> in the applicable Sections of the By-Laws rather than including the full list of duties in a Policy and Procedure Manual. This Section only applies to those Offices listed under Article VII of the GBLB and only allows for the inclusion of those duties not found within the aforementioned Article.</i></p> <p>Note: Additional duties listed for Executive Committee Members shall apply to all such members.</p> <p><u>USE ATTACHMENT FORM NO. 6. RE ADDITIONAL DUTIES – OFFICERS AND EXECUTIVE COMMITTEE MEMBERS.</u></p>
S. 709.	<u>COMMITTEES ETC. DUTIES / TERMS OF REFERENCE (excluding Employees)</u>	<p><i>Should the Branch wish to include these specifics rather than have them maintained in a Policy and Procedure Manual, they can be included as a separate Attachment Form to the Branch Regulations.</i></p> <p>Note: Legion Manuals specifically dedicated to some positions exist and therefore duties associated with those positions are not to be included as an attachment.</p> <p><u>USE ATTACHMENT FORM NO. 7. RE DUTIES AND TERMS OF REFERENCE – COMMITTEES AND BRANCH POSITIONS.</u></p>
S. 710.	<u>CLUB WITHIN A BRANCH</u>	<i>Identify any separate club which only consists of <u>Legion Members</u> within the Branch and is administered by Officers of the Branch with their funds administered by the Branch Treasurer.</i>

***	S. 802. (1)	<p><u>GENERAL MEETING DATE & EXCLUSION OF MONTHS</u></p> <p><i>The Branch must choose a specific day in the month e.g., the first Monday of <u>each</u> month, etc. and a start time which must be shown in regular time including a.m. or p.m. Branches must hold a minimum of four (4) General Meetings per Fiscal year.</i></p> <p><i>Certain months may be excluded to a maximum of three (3) in any single consecutive period. If more than three (3) months are to be excluded, all excluded months must be listed. Do not list the months that Meetings are held unless the excluded months number four (4) or more, and then the entry should be prefaced with the clause ...in the months of... after the chosen day with all applicable Meeting months entered thereafter.</i></p> <p><i>Further, the month of June cannot be excluded as several Appointments and other matters must be made and approved by the Branch at the earliest opportunity after the start of the new Term of Office. This permits those appointees to legally commence the execution of their duties.</i></p> <p style="text-align: center;">List all months in the chronological order of the Fiscal Year which starts in June rather than the calendar year.</p> <p><u>Note:</u> Rescheduling any Meeting of the Branch from its scheduled day in the Branch Regulations e.g., Convention date conflict, etc. must be approved via a Motion at the previous Meeting of the Branch and a <u>Notice re Meeting Change</u> must be communicated to all Members pursuant to S. 918. GBLO. Meetings of the Branch may require rescheduling on short notice due to exigent circumstances e.g., snowstorm, flooding, etc., and pursuant to S. 918. (3) GBLO all reasonable means must be employed to notify the Members in advance.</p> <p><i>Four (4) copies of the Notification provided to Members respecting a rescheduled Meeting of the Branch must be included with the submission when the Meeting involves the processing (Tabling or Approval) of Branch Regulations. Also reference the Section titled <u>Meetings of the Branch</u> under the header titled 'General Rules' found earlier in this document.</i></p>
	S. 804.	<p><u>ORDER OF BUSINESS VARIATION – GENERAL MEETINGS</u></p> <p><i>Should the Branch wish to have a different Order of Business to correspond with Local Requirements, rather than using the one found in the GBLB it must be drafted and attached to the Form No. 3 as an Attachment along with the activation of this Section. Further, Branches that include other components outside the regular General Meeting Business, as listed below, must also draft the applicable attachment along with an Attachment Form No. 8. All such attachments must include the standard business matters as noted in the Ritual, Awards and Protocol Manual and the By-Laws that apply to the Branch. <u>Reference Sections 1001. (2) and 1002. Guidelines for Branch Regulations Continued

		<p><i>A choice must be made whether to hold this meeting in conjunction with a monthly General Meeting or some other day and time e.g. First Monday in May, etc. Also, indicate a.m. or p.m.</i></p>
	S. 808.	<p><u>ORDER OF BUSINESS – ANNUAL GENERAL MEETINGS</u></p> <p><i>Branches may use the Order of Business in the GBLB if they convene their Annual General Meeting and hold their Elections at this Meeting on an annual basis. Should the Branch choose to hold its Annual General Meeting without Elections or as a standalone Meeting, a different Order of Business must be crafted and included with the Form No. 3 as an Attachment. For Branches that hold Biennial Elections or Biennial Nominations (without Elections) at their Annual General Meeting, the Branch will have to create two (2) separate Orders of Business to cover the odd / even-numbered years. Choose the applicable Order(s) of Business to coincide with the Branch situation. All such attachments must include the standard business matters as noted in the Ritual, Awards and Protocol Manual and the By-Laws. In all cases in which the Branch uses an Order of Business other than the one in the GBLB it will have to activate the appropriate Subsection and submit the applicable Orders of Business.</i></p> <p><u>ATTACHMENT FORM NO. 13. Branches may be questioned respecting the activation of Subsection (2) and requested to provide clarification and confirmation that they qualify.</p>
	S. 810.	<p><u>RESCHEDULE OF MEETING RE STATUTORY HOLIDAY</u></p> <p><i>Only applies to Meetings of the Branch and thus eliminates confusion on those occasions when a Meeting falls on the day of a declared Statutory Holiday e.g., by using one week later, therefore allowing Members to know in advance that any scheduled Meeting of the Branch affected will be held one week later and thus eliminates the need for a Notice to all members as per S. 918. GBLO.</i></p> <p>Note: Branches <u>should consider including this provision</u> which only becomes active when the scheduled meeting falls on a recognized and sanctioned Statutory Holiday in the Province of Ontario. The Branch should still post a Notice of the change in the Branch and refer to it at the preceding Meeting of the Branch.</p> <p>Item (1) – Applies to all Meetings that are held at the same time of the day (e.g., 7:30 p.m.).</p> <p>Item (2) – Applies to Meetings that have different start times and thus retain their original start time.</p>

PROCESSING PROCEDURE

USING A NOTICE OF MOTION

Branches seem unfamiliar with the use of a Notice of Motion and its subsequent processing although the use of it was in place before the introduction of the Branch Regulations Process. The Notice (Form No. 2 or 2A), which on presentation **does not require** a seconder and is not debatable, is tabled at a Meeting of the Branch along with either the Form No. 1 or Form No. 3 dependent upon whether the first Certificate of Review has been issued to the Branch or not. No motion is made to table the same, as this would amount to debate. It is the official notification to the Membership that a Motion regarding the specified subject matter attached thereto will be made for Approval **at the next Meeting of the Branch**.

No requirement exists to mail a copy of the Notice of Motion to the Membership. However, it is advisable to post the Notice and Attachments thereto in the Branch between the two (2) subject Meetings to permit review by Members before the approval vote. Further, to permit the aforementioned review by Members, Command policy requires at least one (1) month between the two (2) subject Meetings when the Branch **does not** hold regularly scheduled monthly Meetings **and** wishes to convene a Special General Meeting to seek approval of Branch Regulations / Amendments to expedite the process. A Special General Meeting **cannot** be convened solely for the purpose of tabling these documents.

The use of this process is not restricted to Branch Regulations and a similar process can therefore be applied in any situation requiring such advance Notice of a Motion regarding an important matter e.g., Branch Name Change, sale of Branch property, financial matters, Policy and Procedure Manual amendments, Branch Clubhouse Rules Amendments, etc.

REFERENCE THE GENERAL BY-LAWS AND ALL AVAILABLE REFERENCE DOCUMENTS WHEN COMPLETING AND PROCESSING BRANCH REGULATIONS. IT WILL SAVE EVERYONE TIME AND REDUCE THE RISK OF HAVING THE SUBMISSION RETURNED TO THE BRANCH WITHOUT A CERTIFICATE.
