GUIDELINES FOR JUDGING BULLETINS

Consideration should be given by the judges as to the facilities that a branch/ladies auxiliary may have for producing a bulletin and you will note that only 20 points are allotted for appearance. A bulletin that is produced on a duplicating machine may not have the appearance of a bulletin that has been printed by a printer but may contain better material and would therefore be eligible for a higher point score.

Bulletins and scrapbooks shall be judged on branch/ladies auxiliary information (Reports or notices of branch/ladies auxiliaries activities, humour, special features, contributions, editorial comments, cover, front page or masthead) and impressiveness (printing, layout, typography, pictures, illustrations, legibility, cartoons), etc.

The scrapbook should be of a reasonable size and contain current year material ONLY. A size comparable to a standard photo album is recommended. All branches/ladies auxiliaries, are eligible in respective membership category.

Return all other judging sheets and results, with your comments, to the District Chairman who forwarded them to you. Without this pertinent material, the District Chairman cannot determine District awards.
