Comrades All

**RE: CADETS**

These are certainly strange and unusual times. Many different institutions are slowly returning, but I hesitate to say, back to normal.

Cadet Corps across Ontario, like our schools, were shut down by this COVID-19 virus. Good news, again like our schools, Cadet Corps will be resuming in person training once again. Many have been able to continue their training using virtual training. In person training will resume on Oct. 1<sup>st</sup>. Many Corps have their own facilities but not all will be allowed to return to them right now unfortunately.

I am asking Legion Branches in Ontario, if approached by a local Cadet Corp asking for temporary use of their facility to give them some consideration. I understand that certain restrictions and safety measures will need to be considered but if at all feasible let them in. You will be doing them a great service which I know will not go unrewarded. I will add that the final decision will be yours and yours alone.

Thank you in advance for any consideration you may offer.

Yours in comradeship,

Derek Moore  
Prov. Cadet Liaison Officer
