Subject: Support to our Veterans during COVID - 19

Comrades:

Although our Branches and the Command office are closed to the public, during these trying times we must not lose sight of our obligation to our Veterans and their families. Staff at Ontario Command, Provincial Service Officers and local Legion Branches continue to work from home and are available to assist. Many Branches have available Poppy Funds and I ask you to use these funds to advertise in your local newspapers, public service announcements, or whatever means available to get the word out. Poppy funds may be available to those in need or those experiencing financial distress.

Please provide all Branch contact information in your newspaper ad / public service announcements. Ontario Command will be doing a Media release to remind Veterans that we support them and may provide assistance as required.

Thank you for your continued support to Veterans and their families. I would ask that you continue to monitor your emails, faxes and telephone messages and respond accordingly.

Yours in Comradeship,  
Garry Pond  
Provincial President
