

STAGE 3 RE-OPENING OF LEGION BRANCHES

Indoor gathering limits will increase to a maximum of **50 people**.

Outdoor gathering limits will increase to a maximum of **100 people**.

In all cases, individuals are required to continue to maintain **physical distancing of at least two metres** with people from outside their households or social circles.

All businesses, services and public spaces **when hosting an event** are subject to indoor or outdoor gathering limits and ensuring physical distancing can be maintained.

People at their place of work, including performers and crews, **do not** count towards gathering limits.

People gathering indoors for religious services, rites or ceremonies, and wedding ceremonies or funeral services, can continue to fill up to **30 per cent of the capacity** of the particular room, as introduced in Stage 2.

Consider screening for symptoms. Contact local public health if someone is exposed.

Workplaces and businesses can help make Stage 3 a success by developing a COVID-19 safety plan that includes:

Enabling physical distancing by redesigning spaces/interactions and implementing flow management

Cleaning and disinfecting equipment and high-touch surfaces as frequently as is necessary to maintain a sanitary environment

Consider recording each patron's name and contact information to support effective contact tracing that helps keep everyone safe

Assigning seating or spaces where possible to ensure physical distancing
