

## OP VETBUILD

Operation Vet Build is a peer-to-peer support program by veterans for veterans and includes RCMP and allied veterans. The program is run through the Royal Canadian Legion OSI Special Section commonly known as BSL Legion OSI, hosted in Legion Branches across Canada and is 100% free to veterans.

Our objective is to incorporate hobby and in this case, plastic scale model building as a means of assisting veterans alleviate the symptoms commonly associated with OSIs and PTSD. The incorporation of hobby in a social atmosphere will give veterans the opportunity to meet other veterans in their area while working through their projects to provide mutual support and comradeship.

Use of poppy funds are approved to support Operation Vet Build under Section 403(l), Transition Programs for Veterans. We are graciously asking for any donation's branches are willing to offer to us so we can provide these items to our veterans.

### *Items Needed*

- New or unopened Model kits (any scale and theme)
- New or unopened model glues, paints (any colour) and brushes
