

## Never Forget

They gave their day to end the night.  
They fought the dark to bring the light.  
And gave their lives so we can be free;  
Never forget the heroes.

For our great nation they offered all,  
And deserve to be put in fame's great hall.  
They gave their today for our tomorrow;  
Never forget the heroes.

A glorious and free Canada came with sacrifice.  
So, remember those soldiers who paid such a price,  
Who truly could say, "we stand on guard for thee";  
Never forget the heroes.
