

I Wear This Poppy

I wear this poppy because it shows,
Thankfulness and honor to all of those
Who gave it all, that's what they chose,
For you and me.

I wear this poppy on my chest,
Because I know you did your best,
And when you lay down to rest,
I will remember you.

I wear this poppy for your sake,
It was a choice you had to make,
It caused so many hearts to break,
And I remember you.
