**RE: 2024 PUBLIC SPEAKING CONTEST**  
**ONTARIO COMMAND ONLY**

Dear Comrades:

Please find listed below the Rules and Regulations regarding the 2024 Public Speaking competition. We have four levels of speakers. Kindly ensure that all the schools in your community receive copies of appropriate forms.

I also attach the Statistical Sheet requesting your involvement towards this program. Please complete this sheet as soon as your competition is over and pass it on to the next level. Doing so, would assist the Committee to get the accurate number of participants in the program.

Your participation in making the public speaking program the best that it can be, with everyone working for the good of the students, is greatly appreciated.

Yours in comradeship,

Crystal Cook, Vice-President & Chair  
Provincial Youth Education Committee
