**Branch/Zone/District/Youth-Ed Chair**

Once the Branch competition is over, the Branch Chair is requested to complete this statistical sheet for forwarding on to the Zone Chair. Depending on the size of your community, some schools may send only their best students, while others may send all their candidates to compete. It is therefore up to you to copy and distribute this sheet to your local schools, if it will assist you to get accurate number of participants from your community.

Once the Zone competition is over, the Zone Chair will prepare a summary of these statistical reports (of all their branches) for forwarding on to the District Chair. The District Chair will do a final report (of all their zones) for submission to the Provincial Chairman at the end of April.

BRANCHES: PLEASE KEEP ONE COPY FOR YOUR RECORD.  
ZONES & DISTRICTS: PLEASE KEEP A COPY OF THESE REPORTS FOR FUTURE REFERENCE.

Yours in comradeship,

Crystal Cook, Vice-President & Chair  
Provincial Youth Education Committee
